RE: DECLARATION OF SANITARY SEWER SERVICE AVAILABILITY

PROPERTY OWNER: _____

PROPERTY LOCATION: _____

LOT NUMBER _____ APPROXIMATE SIZE _____ ACRES

PLANNED USE: _____

The Western Rush County Regional Water and Sewer District (WRCRWS D) has reviewed the above referenced property and has determined that:

_____ The property is within 300 feet of an existing sanitary sewer line and therefore is required to connect to the WRCRWS D's sanitary sewer system per WRCRWS D's Ordinance No. 2001-3.

_____ The property is NOT within 300 feet of an existing sanitary sewer line and therefore is not required to connect to the WRCRWS D's sanitary sewer system at this time. However, the District reserves the right to require the property owner to connect to the WRCRWS D's sanitary sewer system in the future if and when sewer lines are installed within 300 feet of the property.

Currently, there (are) (are not) plans to extend sanitary sewers in the area of this property.

_____ The required inspection fee of \$25.00 per Ordinance No. 2001-3 (is) (is not) waived.

The above declaration is applicable to the above reference property in its current lot configuration. If the lot is subdivided into two or more lots the property owner(s) must obtain a review and declaration for each lot.

If there are any questions or if additional information is needed, please do not hesitate to contact me.

Sincerely,

Terry Rogers
Plant Operator
